 Finally, to our new Pledges we leave the PHI DELT tradition and many years of greatness in the BOND ...

The Brothers Phi Delta Theta are once again the dominant force. As a tradition the Phi Deltas represent a diverse yet closely knit group of unique and exemplary individuals. Being led by a dynamic senior class, the brothers have achieved the state of euphoria by reaching K.A.U. Through our various leadership, athletic and extravagant social activities, Phi Delt has found itself at the pinnacle of success within our limitless realm of potential. Moving so fast and feeling so high we stop only to look back at the trails behind; so goodby to our seniors who are one of a kind.

Here's a story about the Phi Mu Frat, their spunky bunch as a matter of fact. To get to know them you will see just how fun Phi Mu can be.

Start with our Prez — Shawn's her name found with Alex tossin' her cookies at the football game . . . Next comes Kristin the Irish Queen, where's our money? No where to be found . . . Along comes Becky making her rounds on her balcony is where she'll finally be found . . . There's Octavia checking her mail looking for the French man is where she'll sail . . . Say there is Andrea with a new Do today it's green rather than blue . . . Janet our R.A. the house will play when in her green bomb she sails away . . . There is a Cat away from TKE for just one night, attacked by a psycho oh what a fright . . . Adrianna it's 11:05 and all is well, your Tampa man sure scurried off in a spell . . . Chris our working girl raking in the cash, saving for the weekends to have a fruitful bash . . . Ginny our Sig Ep mama, going through another boyfriend trauma? Talley being a new member experienced an initiation that she'll always remember . . . BethAnn looking oh so sweet is always waiting for a "BIG" new treat . . . There once was a girl named Tia whose boyfriend came down to see her when the wine bottles appeared we knew he was near for we could all hear . . . And then there is Karen, Excuse me Dr. Weiss, I seem to be having some circulatory problems . . . Sharon's Park Ave. moves are now confined to RM. 102 — If only Pooh Bear could talk . . . Ingrid how about the night at the Executive Suite when you thought your freshman was oh so sweet, but who took off your stockings? Christine our resident preppy is always weighing the pros and "cons" . . . Along comes Lynn who started the year off with a young one, never let it be said she's not a fun one . . . Carolyn can always be found working with the law one of the best you ever say . . . see Jane play, see Jane workout, see Jane be R.A., see Jane drink . . . Allison crusing in her new car making friends at the base and the bar . . . Bonnie our miss Rah-Rah at the game is dating a Greek and will never be the same . . . Tori's boyfriends come by the numbers which one she'll end up with is definitely a wonder . . . Kerry's ways have certainly changed — from Phi Delt to her rooftop days . . . Randy has come a long way — her tastes have changed from soccer players to older ways. This raps up the Phi Mu Frat 'cause everyone knows that where it's at! With special thanks to Freddy, Nonah and all Phi's.

Hooker Hall is where the Chi Psi Fraternity resides so come through our front door and see what's inside!

If you turn left "KINSKI" you will find if you don't watch out he'll get you from behind.

If you turn right, Oh what a sight — it's Debbie mowing again tonight. Now Debbie's gone and "TAGGS" is on the prowl, he's hooked up with Kerrie who is not quite as fowl.

Lets go upstairs to our second story, don't open the door on the left or you will find something gory. His name is "POUNDER" and he gets no bacon but when he wants some action Link is awaiten.

Speaking "LINK" or "HAWKMAN", if you choose, instead of ball he has taken up booze.

Across the hall "A-TRAIN" hides out, he packs a big load but it never gets out, and then one night he went across campus, he met CC and let out his dampness.

Next on the list is number "44", its just a shame he can't score. He goes out every night in search of bacon, and when he comes back Jenn, the bubble butt, is awaiten.

Across the hall lives our "TEQUILA MASTER", he tried to score with Cha Cha but it was a disaster.

Going down the hall we come to an empty pad, "PEANUTS" is gone and we are all glad (sorry Theresa).

Next to nuts is our "REDNECK" who saw Dale one night and said what the heck. Then he found Cynthia, on what a babe, he took her to do laundry and how he is her slave.

Next to Snooker lives "BILLY V", he claims he is a stud, but pigs are all we see. And then one day he brought us a pig from his hometown, she gave us quite a show when Billy wasn't around.

Across the hall lives "CORNBREAD" the spineless, he has no game and he has no wrap, and when he smiles you can see his big gap.

Down from Cornbread "DOOBIE" hangs out, ovr biggest bogue without a doubt. Pizza crust from the garbage can is his favorite snow, he will go to any length to score some free chow. Beckit and Doobie, oh what a couple they make, a tennis ball head and fat dizzy flake.

Next to Doobie is Lissa and "SHRED", we all listen while they are inn bed. She is so foul we could care less, but they make so much noise and such a mess.

Across the hall lives 'sj' our leader, of who we all hear from as the end draws nearer.

Moving along we come to the "NAT" who loves fat women and that is that. Sprinter's fat and Shadon is smelly, and Natural's got a big fat belly.

Across the hall lives "09" who came to study but could not find the time. He goes to Croc in search of bacon, he talks to everyone but they are all taken. He gets blown off, and he gets abused, he is not happy until he gets used.

He rooms with "SHOWEX" who looks pretty rude, he got cut from baseball and has turned to food.

And now there is the "MICH" who gets no time, he came to play hoop but rides the pine.

Let's move on up, to the third floor we have gotten, if you look you right you will smell something rotten. If you go in you will see foul bacon and all the things that "WEBHEAD" has taken.

Across from Web resides our "POLLOCK" and "GINNIE", one's girlfriend is too fat and the other is too skinny.

Next is "TWIG" whose bacon is loose, while she is at KA he spansks his goose.

And then there is "JUGHEAD" whose jaw protrudes, he takes and tries to get huge. He has a wrap but it is very weak, it goes with his threads which are also shmeak.

Outside the house lives "KNOKS" in McKean, whose foul bacon we have never see.

Speaking of foulness we come to "STU" whose the present mascot of Phi Mu.

We do the dirty work!

And then there is "SJ" of which little has been said, and that is because no foul bacon has found his bed. To all my "BROTHERS" I say to you, the year has been great, and that is true. I must state this at the end of our letter, "CHI PSI" is not arrogant we are just better. Throughout this letter some people we did poke, but screw em all if they can't take a joke! A special thanks to: All those who deserve it, it was appreciated.

Kappa Kappa Gamma, Delt Epsilon Chapter at Rollins College is the oldest Kappa Chapter in Florida, founded in 1932. Kappa, being a national sorority, has well over 100 strong chapters in America and Canada, and more chapters being established every year! Kappa is a diverse group of young women with the common interest in friendship, sharing and growing through various activities. We are all involved on and off campus with academics, philanthropies, sports, and other clubs and social functions. We strongly depend on our Kappa alumni sisters who help us with many of our yearly events. Maintaining high standards in all areas is always a concern, and with much room to grow and share with others, Kappa is working hard to share our talents and friendship with the campus and community.

After 60 years of Dames, Damages, Daytona, Drinking and strong academic commitment, the boys from old KAPPA ALPHA remain mansionless and determined to uphold the pride and leadership of the crimson and gold. We're diverse and strong. Long live Excelsior

FRANK — "I only get it once a month" GREENE started out diving in the LAKE then he shot a few in HARPERS and went for a ride through the HILLS winding up in SUTTON Place, never taking his travels for GRANTED. Forever a Theta!

MARC "Lenny" SHAPIRO — You shouldn't have let that FISH get away but keep wining and lining, you're bound to get a bite somewhere. We still think she's a PHI MU.

DAVID "Grand Poo Ba" BOWSER was welcomed back after an intense year of study at the AMC Movie Theater on the Upper East side of Philadelphia. I CROSS my heart I slept in Miller's room.

JON — "I was out of town this weekend" HORNE spent most of his time eating ZUCHINI while itching the FLEA in his bed; we know his true love is the Grateful Dead.

CHRIS — "I've never seen something so big" CHESHIRE. Either in the parking lot, the Porsche or at Park West the snake prevails. Chris, I thought we were going to Wendy's? ... I lied!

MARK — "You wanna see the inside of my room?" DALEY. After the smoke cleared from the A.J. — Mimi title fight and the CHIPMUNKS scattered, Bugs C.C. Bunny arrived to nibble on the carrot. Who is that Elizabeth girl anyway? Douche, Douche!!

CHRIS "Fantastic Feats" ZIELINSKI hangs on the SANDY shores of Lake Virginia. Early inn the morning Chris can be found BUCKING on the diving board which always gets a top NIELSEN rating. Later on, Zig can be seen Wind-DORKING on a BECKERboard. But after a hard day, Zig turns in his Jams for a tomahawk and plays Tenn Little Indians with GOUDA intentions. However, Zig must always answer to the RAT and the power of Women's liberation.

MATT "Mad Rapist, Grandpa, ATT, 6 Year Man," Thank you, Sister Kate, If you don't like me it doesn't matter because I love myself. I have great times with me, Kid Cool, Pee Wee's (Ha Ha) Big Adventure with SPACEY, Peter Plastic, Our Gang, Poeming out, "Jimmy Buffet sucks Mills", Greeks are people too, Girls say: "Keep your tongue in your mouth", Harry historian, RAT PACK rules, Jokes over, good luck with reality" MILLER.

The sisters of the Gamma Gamma Chapter of Kappa Alpha Theta have had another world wind performance this year. Our leading roles in campus have been spotlighted in student government, student ambassadors, intermurals, A.D.E.P.T., student hearing board, the writing center, A.C.T. Theatra, PanHellenic and various other stages. Over the course of the year we have all had our encores as well as our curtain calls, but we still remain the closest knit and most outstanding cast on campus. The results from our academy awards are as follows:

BROOKE "Up In Smoke" DUFFY — candidates for best supporting actor: M.D., J.W., T.M., J.K., and the winner is J.D. For the scene of licking dove's teeth you win another unremembered night of doing upside down margaritas.

ALLENE "Alien" MARTIN — She will be seen next starring in "Looking For mr. Goodbar". By the way, what about that 21¢ you owe us?

JANE "Splash" STRITZINGER — Will next be seen starring alongside Richard Simmons, but lets edit the violent drink throwing scene.

JENNIFER "Crocodile DUNN-DEE" — The climatic scene of opening Pandora's box. Just signed contract for — standards meets S.G.A. President in *Airplane 84*.

NANETTE "Lost In Space" WRIGHT — Was thrown off the set of Snow White for daring too many of the dwarfs.

BEV "Sybil" BUCK — The reviewed are good from down under. Do they pack their tuna in spring water?

Next a double feater with STEPHANIE "French Connection" MARROCCO and SUSAN "Irreconcilable Differences" PRITCHARD — co-starring in the "Munchkins Take Theta" followed by the "The Demolition Derby".

LEE "Beach Blanket Bingo" SAUFLY — Did you steal the stage for love or just to get your name inn the *Book*?

AMY "about Last Night" TEETS — The parts we remember about the movie . . . the candles, the younger men and those long luscious nails.

BARB "The Sure Thing" WARD — Is now holding auditions for next weeks supporting actor. Please form line behind casting couch.

LIN "The Color Purple" TYLER — It's true, it's true! It's always been "love at first bite".

KELLY "Star of Candid Camera" MEADE — From the "Elephant Man" to "Tiny Tim", the "Rose" will always win.

HILLARY "Portrait of an Unmarried Woman" WARD — Since snobs and chemicals don't mix, she's searching for another co-star for "9 1/2 Weeks" — Z. Sneak previews viewed form "The Boys Next Door" directed by the Puerto Rican on the roof. Walt Disney Productions present BETH "Ordinary People" LONG (Rate G). Do the credits include Mr. Wonderful? (If he smokes a pipe.)

We give tribute to our understudies and their support roles.

## Tau Kappa Epsilon

1986/1987 will be a year that many of us will never forget. Many of us had moved in a week before school had even started, but after Terry Young raged through the house and locked all the doors, we kind of got the feeling that we weren't supposed to be there. The social life within Rollins Hall was never dull, especially with our Second Floor Parties, the Fall Cocktail, Snow, and Swamp. Those parties were undoubtedly the best "closed" parties of the year, yet it seems that our good friend, Roz didn't agree.

What's our working balance? What's the damage assessment? Where's my Mr. Boo? Where's the beer? And here's a few works about a few choice people . . . George "heading for the Mountains" but stopped by a dead man . . . When in depression, without a doubt, we all turn to Craig for uplifting thoughts . . . Bazil, the little thief of Rollins Hall, while out on patrol was struck . . . Mike, who is rarely seen without his shot glass or bottle . . . Dave P., a true descendant of the Adams family . . . Kevin, you're going to wear that green bag out soon . . . Pedro, our "responsible" midget who though Thanksgiving was on Saturday . . . Goodrich still doesn't know where the G-spot is . . . Phil is working hard at his campaign for being president next year . . . Marcus "It's better to look good than to feel good" . . . Dean, where have you been? . . . J.R. beat out C.J. . . . Jim B., two seconds behind the wheel and one Chevron sign down . . . From room 201 we have the grandmaster bacon manipulator and his partner in crime . . . Dave B. "I've got the car, now who can drive?" . . . Tom and Oliver, where there is an easy buck to be made, you'll find our German dynamic duo . . . When it comes to six, Costas does all he can do, just remember girls, don't let him behind you . . . You never see Randi with girls at all cause he's got something better, vasaline and his coccer ball . . . the loft in Tom's room is under quite a strain, ever since he met his new girlfriend Loraine . . . Jim L. and his monkeys make quite a combo, but everyone runs for cover when he becomes Mr. Distructa . . . From room 201 we have the grandmaster bacon manipulator and his partner in crime . . . and of course Bacon Baker the potato hater who's latest girlfriend is from behind enemy lines . . .

The year has been fantastic and the little sisters have had a great deal to do with this. A special thanks to Cathy, Lynn, Annette, Caren, Karen, Julie, Kathy, Ann, Suzy, Sara, Elizabeth, Sharon, Emily, Sandra, Amy, Patty, and Loraine McDonnell.

NCM

Since the formation of NCM in 1970, Rollins has offered an alternative sorority lifestyle in the Greek system. We offer a more informal atmosphere because we are not a national sorority. This makes room for more individualism among our members. We do, however, function like national sororities in some ways: We are a member of the Panhellenic Council, participate in formal rush, occupy prime housing, hold weekly meetings, involved in many philanthropic projects, as well as throw our traditional parties! We stress "quality," not "quantity" making each member realize the importance of contribution to our organization. We feel NCM provides the true friendship and togetherness the Greek system strives to achieve.

Since 1976 the choir has undertaken four European tours and has performed extensively in Florida and beyond.

The members of the choir are drawn not only from the student body but from alumni, faculty and singers from the community who are attracted by its dedication to presenting only music of the highest quality.

#### PINEHURST

Pinehurst originally opened in 1886 as a women's dormitory. Since then it has been the library, a chemistry lab, post office, and the President's home. The house has been moved back 20 feet which will allow for the original wrap around porches. Next year the opening will make Pinehurst the oldest and newest building on campus.
